Topics Discussed:

We discussed about different topics regarding the final diagrams as we finalized every diagram more than 2 weeks ago. Each of the members had their own tasks regarding the final diagrams, and we discussed what each of us would made necessary updates to their own diagrams. Another discussion was about the coding part of our project as everyone of us have made their own research regarding this part. Discussed about the database as we need to do some final changes to finalize it.

Decisions Made: No decisions made.

Tasks Assigned: A part of the group has to keep working on finding new information how to finalize the final part of our project, keep building our software and fixing everything necessary. And the other part has to work on database part.

Time, Place, and Agenda for Next Meeting: 10 June 2020
