## **Topics Discussed:**

This week main topics were about the database and the code, since we have finished all the diagrams left after the midterm submission. Each member of the group talked about the research they had done about the code. Another topic we discussed was about the database. We made some changes to it and corrected possible mistakes we could have done.

## **Decisions Made:**

- We decided to do a review of our diagrams, especially for the diagrams left after the midterm.
- Working on the code.
- Finish database.

## **Tasks Assigned:**

- Gjergji will continue working and improving the database.
- Other members of the group will work on the code.
- Everyone will check the diagrams they have worked on.
